

## Hagerstown & Frederick Railway Historical Society's H&F Railway Fund

*Gifts for your support to our endowment with the Community Foundation of Frederick*

The H&FRHS has undertaken a fundraising drive to develop an endowment fund that will help the Society achieve its Mission: "The Hagerstown & Frederick Railway Historical Society is dedicated to promoting and preserving the heritage of the trolley line that served Washington and Frederick Counties in Maryland. We offer historical and technical data, as well as educational information to members and the public."

**To develop this fund we need YOUR help to raise \$25,000 by the end of June 2020.**

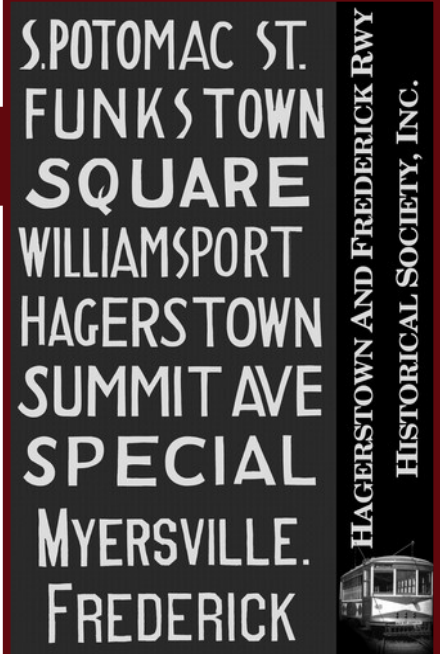

### Gift for a Donation of \$50: (300 available) Limited Edition Print: H&F #168 in Hagerstown

For a donation of \$50 you will receive a signed and numbered print of car #168 in Hagerstown. The edition is limited to the 300 we have on hand. The print measures 12" x 18" and can either be mailed for an additional cost or picked up in person.

### Gift for a Donation of \$100+S&H: (50 available) Limited Edition H&FRHS Car 48 Destinations Poster

For a donation of about \$100 plus printing and shipping costs you will receive this limited edition poster only available through this fundraiser! The artwork is based on the roll sign of destinations on H&F cars #48 & #49. The Society owns one of the original signs. You may purchase this print directly in our Zazzle store and they will handle all costs and shipping. We will limit production of these to 50 prints. The poster measures 24" x 36" and is suitable for framing. To make this donation visit [https://www.zazzle.com/store/hf\\_rwy\\_historical](https://www.zazzle.com/store/hf_rwy_historical) and select the poster from our store.

### Gift for a Donation of \$1000: (5 available) Authentic Piece of 1896 H&F Railway Rail from Frederick

Our final incentive is a limited edition of five! For a donation of \$1,000 you will receive a plaque with a section of the original girder rail from the streets of Frederick. For the past twenty years the only way to receive a piece of this rail was distinguished service as an officer of the Society. After this fundraising campaign we will not offer other pieces to the public. The 1/2" thick slice of rail is mounted to a piece of reclaimed chestnut and is ready to hang on your wall.
